## Term 2 Week 5

### Newsletter

#### PRINCIPALS NEWS

##### Building Works Update

Over the last week the building work site has been established with the necessary fencing and site shed now up and running. Please note that the building site is at all times off limits to members of the school community at all times.

##### Entry and Exit Points

To assist with the management and movement of students at the end of the school day please carefully read the following dot points. We appreciate your support in this matter.

- ◆ the pathway between the administration block and hall is for students who catch the bus or attend Tilly's OOSH only
- ◆ pedestrian access for entry and exit is through the main school gate (closest to car park), across Bolwarra Oval, or through the bottom gate of the school oval
- ◆ staff supervision at the end of the day is limited to walking students to the pedestrian crossing on Bolwarra Road
- ◆ no adult or child is permitted to walk through the staff car park, please use the designated exit point
- ◆ the school day finishes at 3.10pm. Parents who are unable to collect their children at this time need to make alternative arrangements with other families and friends or seek a placement at either of the OOSH services available. The school office is only to be used as a collection point on the rare occasion and in an emergency.

##### New School Newsletter

Next week our newsletter will move over to a new format and be available on the Schoolzine app. From

this point on the newsletter will be distributed fortnightly. The Schoolzine App will become the school's primary method for all communication. Our long term goal is to have all school information, excursion notes and permission forms located within the App. The Schoolzine App will replace the Skoolbag app we currently use. Information on how to download the app is included in the newsletter.

### NEXT WEEKS PBL FOCUS

## Lining Up

## P & C NEWS

When it is your child's birthday, they have the opportunity to donate a book of their choice (already purchased by the library) for the small cost of \$6.00. After paying, the children can come to the library and select a birthday book.

The books will be presented to the children on assembly. Each book will have a special message inside saying who has donated the book. The birthday child will be the first to borrow the book.

## Schoolzine App

As of Friday 8th of June we will be using a new app for communicating with the school community, newsletters, absent notes and school calendar. The app is called Schoolzine and can be downloaded from your app store (please see the picture). We appreciate your patience in the transition period. Skoolbag will still be available for a short time.

### Absentee Notes

Absentee notes will no longer be able to be submitted by Skoolbag. There is an absentee note link in Skoolzine or you can call the office on the morning that your child is sick.

We thank you for your patience while we transition to this new system.

## Schoolzine Newsletters

We are pleased and excited to inform you that we'll be producing a new eNewsletter with Schoolzine. The move to this new format will enable us to communicate with the school community across multiple channels. It will promote and enhance our engagement with parents, students and the wider community.

We believe you'll find the eNewsletter highly engaging, as it will provide us with a more efficient and effective means of connecting with you. The new format will allow the inclusion of video, photo galleries, online bookings, mobile app, feedback forms, calendars and so much more.

The newsletter also has a sponsorship section which provides a great opportunity for local businesses to engage with our parent community. If you would like to be a part of this, please contact Schoolzine.
